

Attorney Renewal Registration

Federal Government Attorney

In compliance with USCIT Rule 74(e), all federal government attorneys eligible for renewal registration must submit a renewal registration form by June 1, 2024. Attorneys admitted in 2023 and 2024 are exempt from the renewal registration requirement.

Failure to remit the renewal registration form will result in the removal of the attorney from the court’s bar roll, without prejudice to an application for admission as a new member.
